

Module Title	German Language I		
Module Code	GER300		
Module Type	Elective	ECTS	6
Year / Semester	Year 2/Semester 3		
Module Purpose and Objectives	<p>The main purpose of the module is to develop the students' ability to comprehend and analyse oral and written German language at basic level. Students will gain practice in the German Language in the main language skills (listening, speaking, reading and writing). In addition, the students will be able to use basic grammatical structures and vocabulary. Students will have a solid understanding of the German language.</p>		
Learning Outcomes	<p>By the end of this module, students will be able to:</p> <ul style="list-style-type: none"> • Write correct German sentences by the use of grammar. • Speak clearly • Respond effectively in German language • Read and understand basic texts • Develop basic communication skills in particular learned contexts 		
Module Content	<p>German Language I covers essential topics ranging from greetings and basic dialogues to more complex grammar structures and vocabulary relevant to everyday situations. Students progress through topics addressing communication in contexts such as introductions, telephone conversations, weather discussions, family dynamics, dining out, and travel scenarios. Each module focuses on specific grammatical points and vocabulary to build proficiency in areas like shopping, healthcare, and home life. By the end of the module, students will have developed a solid foundation in German language skills necessary for effective communication in diverse real-life settings.</p>		
Teaching Methodology	<p>The module is delivered over a combination of lectures, videos, group discussions, audio visual aids, seminars, tutorials, workshops, case studies. All lecture material and additional information will be available through our Moodle platform.</p>		
Assessment	<p>Assessments will be a midterm and final exam with the final grade including semester attendance & participation.</p>
